

Come lo scorso anno ritornano in cima Bologna e Roma, mentre scende di posto Siena. Ancora una volta bisogna scendere nella classifica per trovare le Università siciliane. Al 23° posto troviamo Catania, salita di due posti rispetto allo scorso anno, mentre Palermo e Messina sono alla fine della classifica, precisamente al 36° e 37° posto, prime solo alla 38esima, l'Aquila. Per quanto riguarda Palermo e Messina il loro posto rimane quasi invariato rispetto alla classifica del 2015/2016.
